A bit about me...

I am a gay man who has been out and proud since the age of 19. An artist all my life. I have been in A.R.T.S for about eight years. I started and have continued Melbourne Australia's only meeting. My interest in LGBTQIA+ Artistic expression has grown in my time through A.R.T.S both as a queer writer and lately as a puppeteer. Zoom has shown me that there needs to be a lot more awareness around being and expressing our LGBTQIA+ identity artistically.
