

A.R.T.S. Preamble:

A.R.T.S. Anonymous is a fellowship of artists who share their experience, strength and hope with each other that they may recover from their common problem and help others to surrender to their creativity. The only requirement for membership is a desire to fulfill our creative potential. There are no dues or fees for A.R.T.S. membership; we are self-supporting through our own contributions. A.R.T.S. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to express our creative gifts and help others to achieve artistic freedom.

A.R.T.S. Vision:

A.R.T.S. Anonymous envisions a world where each individual's creativity is cherished as innate, unique and divinely given. The sacred responsibility of sharing our gifts is vital to a world of joy, abundance and love.

A.R.T.S. Mission:

Artists Recovering Through the Twelve Steps (A.R.T.S.) is a diverse creative community that supports individuals in overcoming challenges blocking their artistic expression. Through meetings, ARTShares, artist-to-artist fellowship, an annual international Conference and Convention, literature and a 12-Step structure, we establish a safe haven in which to explore, take risks and celebrate the many facets of our creativity.
