

<b>Bringing a Motion to Vote (“Community Problem-Solving Method”)</b>	
2 min.	Presenter puts a preliminary motion on the floor, and gives the reasoning in favor of the motion, including why this particular solution is recommended by a Committee or the Board
10 min.	Facilitator asks for questions; presenter answers or may ask others to help answer them. Participants may also make comments regarding the motion.
8 -12 min.	Four Pros and Four Cons are offered from the floor, in alternating format. Facilitator asks that points already made not be offered again.
6 min.	Crafting. Participants on the floor may suggest changes to the original motion, and the Presenter decides whether or not to take them, one by one, as offered. The amended motion is read back to everyone,
1 min.	The amended motion is read back to everyone, Facilitator calls for a “time out” in silence for all to reflect before a final vote
1 min.	Serenity Prayer Facilitator calls for the final vote.
1 min.	One additional speaker on the minority opinion
